And the last word

"And all at once I can smell autumn dancing in the breeze. The sweet chill of pumpkin and crisp sunburnt leaves.

It seems ages since the gala when Sue & Mandy worked themselves to the bone to provide an awesome day for locals and visitors. And what a success it was despite the sweltering heat. Thanks ladies—a huge effort for two people. I wonder if it's time to move on from the gala though and start thinking about some other type of activity to be held on the park. What are your thoughts ... should the gala be here to stay or should we move on and start thinking about another bigger, brighter activity to entice visitors to the area.

With coronavirus the topic of conversation lately and noting the rapid spread of this disease in the Northern Hemisphere, let's hope we learn some lessons from those on the other side of the world. Or will it not matter what rules are put in place, the cheeky little virus will just make it's merry way around the world in an inappropriate, but timely fashion. For us, so far so good. At the time of writing there is no community spread, just travellers arriving in to NZ with the virus and self-isolation seems to be working.

What about those shoppers in Australia getting into a brawl over toilet paper. WOW.

Talking about the Trials & Tribulations

Over the last 10 years

Election of officers:- Don't be afraid

but only if you want to be on this fun committee

(Committee meetings held on 4th Monday of the month)

Presidents Note – after 15 years this will my last AGM that I will be chairing as president. Mandy Cook is the in- coming president and will be officially taking over as president after the AGM.

A lot of things have happened over the last 12 months . We have had significant import into the drainage plan [now under way], the new Kairaki playground , the new Kairaki carpark , as well as a joint project between ourselves and the Fire Brigade working on installing CTV cameras.

I wish Mandy and the new in-coming committee all the best for the up-coming year.

Regards ,

Peter

What's going on in the local Community

CALENDAR OF EVENTS

AGM– 26th march 7.30pm

Sunday 31st May– Jam Session with Tom Arthur and his band– starting 11.30am at the hall.

What's going on in the wider Community

KTCB Annual Plan discussion– What do residents of the Pines Kairaki Beaches Community want to see in the Annual Plan. Let us know asap– actually let us know before the 23rd March please.

Well actually we're really glad we have The Gala Day, Waitangi Day, The Kaiapoi River Carnival & Boat Show, The Kaiapoi Community Garden 10th Birthday celebrations The Kaiapoi Fun Run and so on and so on out of the way because.....

There is very little else happening at the moment for obvious reasons and the more we read Stuff the more we realise what's been postponed or cancelled...No Sport...No shows/musicals to go to... Oh well .. We need to keep ourselves safe ... as you can see at the top of the page though there is AGM and all going well your very own Tom Arthurs Big band jam session – We would love to welcome all residents of the Pines /Kairaki Beach Community at both events. The AGM will be a great opportunity to say thankyou to Peter Midgley who is retiring as president after 15 years—6 or 7 of those years were probably an absolute nightmare and he has worked so hard, along with the members of the Association to retain your unique identity.

Peter, Gail and their family, have not only been stalwarts of the Beach Community but both have supported every event in Kaiapoi, which has been noted and appreciated.

Fun and very easy treat for the kids to make for Easter.

Fluffy Rabbit tails

Large white marshmallows

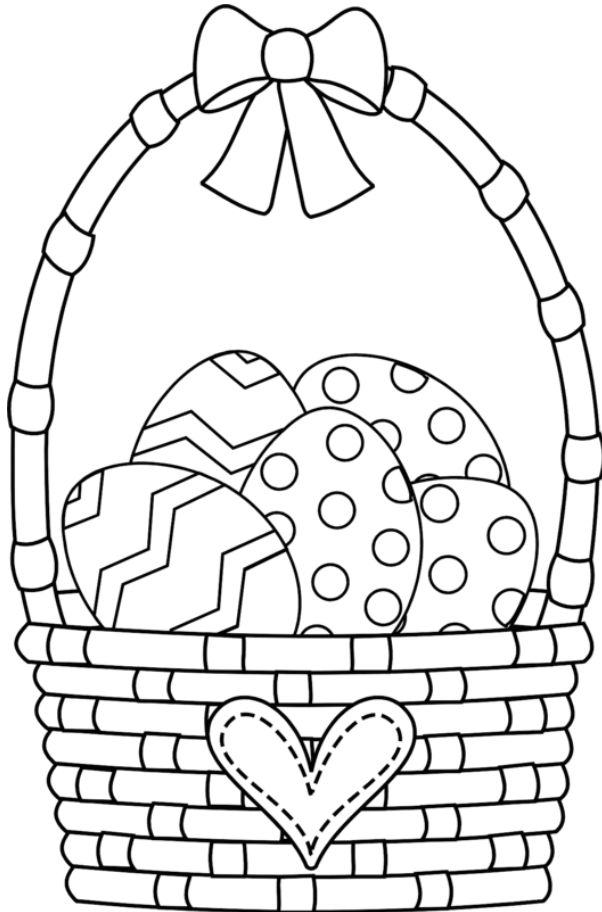

White chocolate

Coconut

Melt white chocolate, dip one end of marshmallow in choc then dip in coconut. That's all there is to it. Perhaps some could be put in a cellophane bag, tied with a ribbon and be given to someone for an Easter gift.

AND SOMETHING TO COLOUR IN

12 months at the beach ... just a glimpse

Sealing of car park should be commencing the week of the 23rd .. All going well.. While there is some debate over car parking at present it is probably only just where the lines will be painted.
